Marists in the United States

Justice & Peace Alert

September 8, 2023

Marist School

Atlanta, Georgia

In June, Marist School Campus Ministry offered a summer mission trip for the first time since 2019! In partnership with [Heart Work Camp](#), a group of chaperones and students traveled to Morganton, North Carolina from June 11-16. They joined with teens and youth ministers from all over the country at Catholic HEART Workcamp (CHWC), which helps teens deepen their faith through service and the sacraments while enjoying high-energy fellowship and fun throughout the week. Marist's participants were placed on different work teams that responded to a wide range of requests for help in the community, from assisting elderly residents with home repairs, to improving school grounds, to refurbishing church facilities, and more. Students and faculty played, worked hard, and prayed with new friends and a renewed commitment to living their faith through service to others. Marist looks forward to returning to CHWC next summer! Learn more about Marist mission trips [HERE](#).

From July 24-28, a group of 9th and 10th grade students participated in a Servant Leadership Summer Immersion Experience led by theology teacher Mrs. Betsy Holcomb, introducing them to servant leadership through service opportunities and community-building activities. Equal parts classroom learning and hands-on service in various locations around Atlanta, this experience invited students to explore service as an approach to leadership as modeled by Jesus in the Gospels. Read more [HERE](#).

Duluth, Georgia

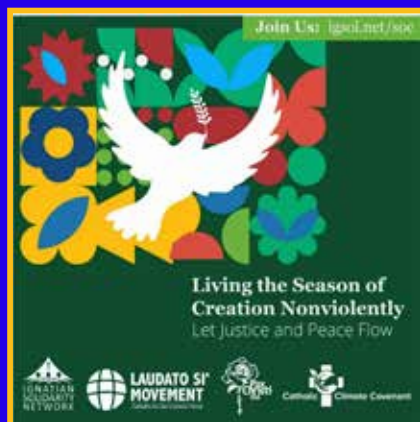

On August 29th, ND Academy had its first service learning partner visit of the school year. Mrs. Tessa Sulimirski, Director of Missions, from [Amigos for Christ](#), came and visited with the 3rd graders. She talked about all the wonderful things Amigos for Christ is doing and got the students excited about their first collection drive of the school year - backpacks, and school supplies for the children in Nicaragua which occurred on September 6th.
