**Marist School**

Atlanta, Georgia

Marist School celebrated Martin Luther King Jr. Day with a school-wide assembly featuring the Mizel Museum's "At the Table with Dr. King." This engaging presentation combined live music, dramatic readings of Dr. King's writings, and striking historical visuals to bring his legacy to life. Students were inspired to embrace the inclusiveness of community and use their God-given gifts to serve others. As the school community strives to bring out greatness in each person at Marist, Dr. King's example reminds us of our shared responsibility to create a better, more compassionate world.

Christie Crane and Mary Cloyce Collins from Catholic Charities Atlanta (CCA) came out to ND Academy last week and spoke with the 5<sup>th</sup> graders. They learned all about refugees and the Refugee Resettlement Program of CCA in preparation of their upcoming 5<sup>th</sup> grade sponsored service-learning project in March and ND Academy's Catholic Schools Week collection drive during National Catholic Schools Week. ND Academy is collecting gently worn winter coats and new socks, winter hats, gloves, and scarves for CCA.
