WORLD REFUGEE DAY

June 20th

We pray for the many brothers and
sisters who seek refuge far from
their native lands, who seek a home
where they can live without fear:
that they might always be
respected in their dignity.

I encourage the work of those who bring help to
those in need, and it is my hope that the international
community should act in a fitting and effective way to
prevent the causes of forced migration.

POPE FRANCIS
