Happy Birthday Fr. Colin, SM!

On August 7th the Marists worldwide celebrate the birth of their founder Fr. Jean-Claude Colin.

Born at the close of the 18th century (1790) in revolution-torn France, Jean-Claude was convinced that the Blessed Virgin wanted a group of men and women to do her work in the world at a time of turmoil and challenge. With this inspiration he forged the way for a new family of consecrated religious and laity in the Church - the Marist family.

Under his leadership, as founder and father, Marist missionaries would proclaim Christ's message in Mary's gentle spirit 'on whatever distant shore' to which they were sent.
